

Karlsborg Svanvik

Municipality of Karlsborg

Welcome to Skaraborg

At the center of Scandinavia and as part of the largest industrial region in the Nordic region, Skaraborg is facing unique growth! There are strong clusters and innovation environments and well-functioning collaboration between business, academia and the public sector. Established networks, an entrepreneurial business climate and personal commitment at all levels give you the conditions to succeed.

THIS IS WHERE IT HAPPENS!

Locate to Skaraborg

Skaraborg has a strategic location with close distance to Stockholm, Oslo and Copenhagen.

The optimal location will be a geographical hub for companies that want to reach out and expand in the Scandinavian market, further out in the world. It has train connections, ports and highway for effectively connection.

It is also home to the Skaraborg Logistic Center, which provides advanced and sustainable logistics solutions.

WELCOME TO JOIN US!

Why Skaraborg?

The combination of growth focus and long-term sustainability is a strategic success factor that makes Skaraborg one of Scandinavia's most exciting future regions.

There are 15 municipalities with just over 270,000 inhabitants that are part of the Västra Götaland region with 1.7 million inhabitants.
